CAPITAL T

2014 Capital T Reserve Pinot Noir

Beastly. A gorgeous garnet color in the glass. This intense, seldom-seen release boldly pushes the limits of Pinot Noir. Aromatic notes of barrel char, barrel spice, vanilla and black fruit beckon toward a mid-palate swimming with an array of red and dark fruits. A towering structure backs up the stature of this wine, yet is finely tamed with an underlying elegance. A jaw-dropping experience continues as the myriad components integrate seamlessly into one long and savory finish.
