

2015 Capital T Reserve Pinot Noir

Pushing the limits of Pinot Noir. This bold and deliriously rich Pinot shows plenty of dark fruits and barrel flash in the nose. In the mouth notes of blackberry, blueberry and dark cherry bask in a glowing warmth of barrel toast and sweetness. Coffee bean, cream and hints of Swiss Miss interact with barrel and fruit tannins to create a juicy yet mouthwatering core that subsides ever so slowly into a graceful, arcing finish.
