WILLAMETTE VALLEY
PINOT NOIR

TERRITORIAL

2015 Willamette Valley Pinot Noir

Aromatically forward. Red raspberry and strawberry fruits project out through seductive barrel tones of vanilla, toast and spice. In the mouth the seduction continues with fruit tones tending darker and rounder. A juicy and exceedingly friendly core shows highlights of cedar, spice and orange rind. Structural redemption in the form of finely-grained tannins brings a savory mouth experience to a lingering and deeply satisfying finish.
