

2018 ROSÉ OF PINOT GRIS

2018 Willamette Valley Rosé of Pinot Gris

A two-day cold soak on the blue and gun-metal grey skins of the Pinot Gris grape gives this distinctive wine its pretty copper hue, while at the same time imparting flavors and aromas quite different from its brother, the Pinot Noir Rosé.

Aromatically splashy with waves of hard candy and a citrusy array of tangerine, orange and lemon. Agile and lively in the mouth with more citrus flavors and a refreshing lemon finish.

Specifications

Dry

13.5% alcohol

3.40 pH

6.80 grams/liter TA at bottling

Harvested October 17, 2018 from Equinox Vineyards

48 hour cold soak followed by stainless steel fermentation
