

2016 Capital T Reserve Pinot Noir

Broad, expansive, rich and dark, this Reserve Pinot is a study in balance, integration and harmony. Dark fruit aromatics blend seamlessly with deep barrel tones resulting in a complex and heady bouquet. Serious but laid back in the mouth with hints of cream, vanilla, spice and dark chocolate. A hint of graham softens a drying and mouth-watering finish.

Capital T is a very limited production wine and is only produced in vintage years.

Specifications

14.6% alcohol
