

2016 Willamette Valley Pinot Noir

Very pretty in the glass. Vinous and varietally spot-on aromas of South Willamette Pinot Noir promise great things. The promise is kept with a full aromatic spectrum of briar, toast and bright fruits. On the palate this is juicy yet highly structured with bracing acids and fine-grained yet grippy tannins. A delightfully mouthwatering finish lingers and cleanses.

Specifications

Dry

13.9% alcohol

3.66 pH
