## 2019 Equinox Vineyard Chardonnay

Seductive barrel tones, including graham and spice, open up to a mouth full of the tropics as well as stone fruits and citrus. Vinous, oily and complex, yet clean, the wine coats the mouth top to bottom and front to back before elegantly receding with a lovely finish...who doesn't secretly love a long good-bye?

A warming comfort wine, yet structurally sound for our Northwest cuisine, especially Dungeness crab.
