

2017 Willamette Valley Pinot Noir

Michael Alberty
Decanter Magazine
April 2022

This Red shows what cool climate Willamette Valley Pinot Noir in a moderately extended growing season is all about.

Aromatically vinous with tones of barrel spice and camphor. Elegant, lively, and vibrant on the palate with cherry, red fruits, and a hint of cola. A kiss of cream gives way to a clean savory finish marked by an unexpected note of black pepper.

Specifications

13.6% alcohol
