

2021 Equinox Vineyard Pinot Gris

A pinot gris showing endless layers of complexity and nuance.

This opens with floral aromas of butterscotch, honeydew melon, Asian pear, fig, starfruit and bright apple skin.

In the mouth a rounded texture of cream and oil provides an exquisite upholstery ultimately giving way to tropical notes of tangerine along with white pear, cedar and spice. A long and luscious finish with a hint of heat resolves the whole package.

Careful not to over-chill.
