WILLAMETTE VALLEY
PINOT NOIR

TERRITORIAL

2019 Willamette Valley Pinot Noir

Pretty dark ruby color.

Dark fruit aromas of cassis and blackberry yield to creamy French oak barrel spice and a touch of cedar.

Bright and vibrant in the mouth with candied raspberry and blueberry flavors. Initially grippy tannins rise up then soften and smooth out into a supple, velvety finish punctuated by lingering spice tones. An easy yet formidable structure balances the entire sensory experience into a satisfying whole.
