

2023 Willamette Valley Rosé of Pinot Noir

Aromatically soft and inviting with rose petal and a hint of citrus. Tart, tangy and lively in the mouth with exuberant red fruit flavors. A surprise hard candy core yields to a pleasingly viscous texture before a bright finish coats and then cleans the palate. This versatile pink is great on its own but also a rock-solid team player at the table.

Specifications

Dry

12.5% alcohol

3.58 pH
